Wednesday 3:45 to 4:30 KINGDOM RINGERS – CHILDREN

Beginning September 20th

Music Opportunities at SUMC

Children

Kids of the Kingdom (Children's Choir)

Open to all children 5 years old (and in Kindergarten) through 5th grade. Children will be doing lots of singing, moving with music, reading simple rhythms, rhythmic speech, playing rhythm and melodic instruments and refining listening skills. These activities help children become better listeners and singers, and become more coordinated physically. We read words as well as music to help children reinforce their reading skills. Non-readers begin to recognize words as the year moves on. Children must be committed to attending regularly. Rehearsals are every Wednesday from 4:30 to 5:30, beginning September 6.

Kingdom Ringers (Children's Chime Choir)

Open to 3rd, 4th and 5th grade children who are in the Kids of the Kingdom. Children learn to read music while learning to play chimes. This is for children with little or no experience.

Rehearsals are every Wednesday from 3:45 to 4:30, beginning September 20.

Youth

Righteous Ringers

Open to all youth in grades 6 through 12 who have bell ringing experience, or who read music well. We lead worship at both services about every six weeks. We ring a varied repertoire of music as well as work on improving music reading and bell ringing skills and techniques. Ringers must be committed to attending regularly. Rehearsals are every Sunday afternoon from 4:30 to 5:30 beginning on September 10.

Adults

Chancel Choir

Open to all adults. Music reading is not necessary, but is helpful. Chancel Choir leads worship every Sunday at the 8:45 Traditional Worship Service. They also present special music at Christmas, Easter and other liturgical holidays. Singers must be committed to attending regularly. Rehearsals are every Thursday evening from 6:30 to 8:00, beginning August 24.

Alleluia Ringers

Open to adults who read music. Ringers lead in worship about every six weeks, and sometimes at special services. We have 4 octaves of Schulmerich Handbells and 3 octaves of Malmark Choirchimes. We ring a varied repertoire as well as work on improving ringing skills and techniques. Ringers must be committed to attending rehearsals regularly. Rehearsals are every Monday evening from 6:30 to 8:00, beginning September 11.
